| <p>Our programme is set for January to June, at this stage, due to the unknown variables with Covid-19 on our ability to meet at St Macartin's Cathedral Hall, social distancing and another potential lockdown. Committee have decided to add in more photo walks to enable members to meet outside, with distancing, and be part of meetings. We do not know currently if we have access to the Hall. Note that this programme is subject to changes given Covid-19. Members will receive updates via the WhatsApp group and emails. Updates will also be posted on our Facebook page Enniskillen Photographic Society.</p> | | | | |
